Plans Made for 'Quickie' Drive

Determined that Redwood City should produce another "first" in its war savings campaign, representatives of organizations who are members of the Redwood City War Savings Committee laid plans Tuesday for a quick coverage of the city to secure bond and stamp pledges.

This city was the first to hold downtown street sales of stamps and bonds on Saturday afternoons and the first to stage a war stamp show (the recent entertainment at Sequoia High School).

It was decided the pledge campaign would get under way at 1 p.m. Sunday, May 24, and be completed as rapidly as possible—in all events prior to Memorial Day, May 30.

"I think Redwood City will be the No. 1 town in the state to be signed up," said Chairman John W. Brand enthusiastically. "I believe we can get 90 per cent of our citizens to make pledges without four days."

He disclosed he was hoping to have a "get-together" afterwards at which all who worked in the campaign would be guests, that that he felt confident he could have a high official in the war savings setup here to speak and "tell us that Redwood City was the No. 1 city in the state to sign up."

Urging complete co-operation of all citizens in the campaign, Brand declared:

"This pledge campaign is as vital as any war work we are being called on to do."

He pointed out that it was essential each person inform the government how much he would save regularly in bonds and stamps, and explained that the pledges would be confidential—known only to the government; that they would be voluntary, and that they would be moral obligations only, to be filled only as long as the subscriber was financially able to do so.

Pledges from every man, woman and child will be asked. Canvassers will not keep any record of the amount subscribed; only the number of people pledging.

Many volunteers are needed to conduct the campaign, even though the Redwood City Women's Transport Corps members will be working on it. About 40 of the uniformed women and their captain, Emma Flores, were present last night at the city hall session.

Representatives of organizations and others who will volunteer to serve are sought, however, so that no one will have more than about 15 homes to canvass. They are asked to sign up at the campaign headquarters, 2521 Broadway (former Good Housekeeping Store), or with Max L. Gelber at the high school this week or next.

Another meeting of workers in the campaign will be held at the city hall Tuesday, May 19, Brand announced.

Tickets Now on Sale For Friday's Concert

Tickets for this evening's Sequoia Band and Orchestra Concert, to be presented at Sequoia High School Auditorium at 8:15, may be secured from any member of the Redwood City War Savings Committee; from the downtown office, 2521 Broadway; the high school office of Band Director Max L. Gelber, or the Tribune. Admission is 25 cents, including tax, and the proceeds will go to finance the war savings pledge campaign here May 24-30. Selections by the orchestra, a band, a clarinet duo, a string quintet, and the Treble Clef, a chorus of 20 voices, will be offered.

Public Schools' Value Discussed for Club

A belated Public Schools Week program was presented for the Toastmasters Club on Monday when five talks on public schools were given under chairmanship of Rudy Kalenborn. History of public schools was traced from the "little red school house" up to the present complex modern system. A comparison of United States schools with those of Nazi Germany was made by James Thornton. Other speakers were W. D. Henderson, Ralph Canete, Donald L. Bogie and S. S. Mayo. Myron Harman was inducted as a new member.

From Hugh to You--Via Redwood

Ann Gwynne and Robert Paige play featured roles with Comedy Star Hugh Herbert in "Don't Get Personal," a screamingly funny screen farce to be shown at the Redwood Theater Sunday and Monday, along with "Unseen Enemy," with Leo Carrillo, Andy Devine and Irene Hervey.

3500 Hogs Perish In Early Morning Fire

PALO ALTO—Trapped in their flaming pens, 3500 hogs, squealing in agony, died in a spectacular holocaust early Wednesday on the ranch of Charles Lomori & Son, Page Mill Rd., 3½ miles west of the El Camino Real intersection.

The total loss, partly covered by insurance was estimated by owners at between $85,000 and $90,000.

Flames breaking out at the northwesterly end raced unchecked and enveloped the sprawling one-story wooden building which was soon a raging inferno. The vast sheet of fire was visible for miles.

The fire was discovered about 3 o'clock by Charles Prandi, caretaker. He was awakened by the noise of squealing pigs and the crackling of the flames. He was too late to do anything to save the pens or hogs.

So intense was the heat that he was unable to get within 25 feet.

Only two months ago Judge William F. James of Santa Clara County Superior Court handed down a judgment in an action brought by neighbors to abate a nuisance. He ruled that the smell had to be eliminated.

Since then means of complying with the order have been under consideration between the owner and the county health officers.

Clifford Adamsen, 18, Promoted to Sergeant

Mr. and Mrs. E. H. Zimmer of Arguello St. have just received word that their 18-year-old son, Clifford Adamsen, who has been in the army signal corps since January of this year, has been promoted to sergeant. He is stationed at Fort Shelby, Miss.

Before enlisting in the army, Adamsen attended Sequoia High School, where he studied radio, and spent some time in Civilian Conservation Corps camps.

Bel Canto Concert Is Commended By City Council

Redwood City's Bel Canto Chorus won official approval of its coming concert, set for 2 p.m. Sunday, May 17, at Scottish Rite Auditorium in San Francisco, when Mayor Harold F. Anderson voiced commendation of the organization at the council meeting Monday.

Referring to the concert, he said: "I though it well to bring out the fact the Bel Canto Chorus has brought lots of favorable publicity to Redwood City in the past, and it will now bring additional advertising to Redwood City."

Tickets for the concert, at 75 cents each, are now on sale by members. Besides choral masterpieces and several light, airy numbers which will be presented by the chorus, it is planned to present Miss Peggy Turnley of Hollywood, former San Franciscan, as guest soloist, and to have incidental solos by A. H. McGovern, tenor and Eugene Fulton, baritone, director of the group. In addition, Mrs. Helen Lawson, soprano, and George Prall, tenor, will sing a duet in one of the choral numbers.

ARMY SEEKS P. E. CHIEFS

Directors of physical training, either with college degrees or with wide experience, are being sought by the U. S. Army. They will be enlisted in the Army Air Corps and sent to Sheppard Field, Tex. Information may be obtained from army recruiting offices in the post office at San Jose or at 444 Market St., San Francisco.

Youths 18, 19 Offered Flying Positions

Youths 18 to 19 desiring to get into the Army Air Corps were invited today by Kenneth Fetterman, post office employe, to contact him for information about this department of the service. Fetterman can be reached at his home, 623 Madison Ave. (telephone 1807-W), or can be seen by coming to the rear door of the post office from 6:30 to 8 a.m. He said an examining board would be at Stanford May 12, 13 and 14 to consider applications of youths for training as flying officers.

Mobile Blood Unit Due Again June 12

Next visit to Redwood City of the Red Cross' mobile blood unit will be Friday, June 12, and thereafter it will visit this community the second Friday of each month, Mrs. Z. T. Thorning, president of Redwood City Chapter, announced today. She asked that persons willing to contribute blood on the next visit telephone Red Cross headquarters (Redwood 118).

The blood thus given, she pointed out, is converted into plasma for use of wounded army and navy men and for civilians in need of blood as the result of enemy action.

Next time the unit is here, it is planned to have 100 persons contribute blood, although only 58 actually did so yesterday. It is planned also to have the unit come sometime on a Saturday so that workmen who might fear effects of giving blood on a working day can contribute when their week's labor is done.

Mrs. Richard Schmidt is in charge of this phase of the Red Cross' work here, and supervised the efficient organization which operated yesterday in the First Congregational Church.

Cache of Dynamite Found on Creek Bank

Undersheriff Lawrence Nieri has been investigating a cache of dynamite found Saturday afternoon on the San Francisquito Creek bank by four Palo Alto boys. The dynamite was found in a cave near the foot of Webster St.

Nieri said the explosive was of a variety commonly used for blasting stumps and consisted of nine sticks.

It was discovered by Harry and Richard McCall, Robert Crocker, and Colvin Larsen, all of Palo Alto, who notified authorities.

While Nieri said he had no definite indications of possible sabotage in connection with the dynamite cache, it was pointed out that it was found near the Middlefield Rd. bridge.

Capt. M. A. Grant, county engineer, said nine sticks were not sufficient to do material damage to the bridge.

The cucumber probably was first grown in northern India.

Car Rationing Entitled To Full Understanding

An example of how the automobile industry is co-operating with the government's car rationing program is given in an interview wth Forest H. Akers, vice president and director of sales of the Dodge Division of Chrysler Corp., who was in San Francisco last week.

In Akers' view, the purpose of car rationing is not a general freezing of car stocks or their withdrawal from present use, but a thoughtfully worked out distribution of still available new cars to persons whose unhampered travel between certain points is considered an essential element in the prosecution of the war.

"As with many new things," said Akers, "it seems to take time for the rationing idea to become fully understood. Not only that, but there undoubtedly are motorists, who, though they are eligible, hesitate to file their applications for fear that the use of a new automobile at this time might rashly be construed as a selfish and unpatriotic act.

"Of course dealers continue to have cars to sell and deliveries are being made right along—to persons who have gone to the relatively simple trouble of submitting their purchase priority claims to local rationing boards. While the boards' priority rulings in a broad way conform to prescribed procedure, they may, and often do, take into account factors open to individual interpretation.

"Since it was obvious to us that many people needed counsel and advice in this matter, we of Dodge have enlisted the collaboration of our thousands of dealers. They now are organized to co-operate with local rationing boards, and with motorists through an advisory service by which purchase applications on the one hand and priority rulings of rationing boards on the other hand may be facilitated."

New Telephone Book Goes to Press Soon

Within the next few days a new telephone directory for this community will go to the printer, according to M. A. Gooding, local manager for the telephone company, who stated that arrangements should be made now for any necessary changes in present directory listings.

Varied Program of Choral Numbers, Solos, Duets Set for Concert

Barbecue Plans Made By Chamber Committee

Plans for the Redwood City Chamber of Commerce's annual barbecue for members, families and friends were made Tuesday afternoon when Pres. Carl E. Ward and committeemen headed by Norman S. Menifee met in the chamber office.

Set for 6:15 p.m. Thursday, May 21, at Mezes Plaza, Warren and Standish Sts., the barbecue will feature not only steaks cooked under personal supervision of Chairman Menifee but entertainment expected to include music by strolling troubadours—the Gragg brothers—and by the Native Sons Hill Billy Orchestra. Community singing led by Charles G. Lambert was also decided on.

Tickets for the affair at $1 each are now being printed and will be available at the chamber office or from members of the committee — Menifee, Perry Downs, L. M. Duncan, M. A. Gooding, A. S. Liguori, H. C. Mitchell, Duncan Reynard and George L. Solari.

Following the barbecue, a "Gay '90's" dance will be held at the tennis courts to which the public will be invited. A free affair, it will be part of the city's Diamond Jubilee observance.

Sequoia Night School

War Brings Plans Here For Summer Adult Courses

As the 22nd year of Sequoia Evening High School was rounded out, S. S. Mayo, principal, today noted that enrollment in the school had reached a new all-time high of 1770 during 1941-42 and that the average daily attendance was estimated today at 120 in comparison with 15 in 1920-21.

Significant change this year from other years is that the school is concentrating on war skill training and that approximately 230 of its enrollment is composed of adults either refreshing their skill before accepting positions in industries benefiting the nation's war program or adding to it in order to fill more advanced positions.

Of those in war training, 110 are working in machine shop courses while the other 120 are taking sheet metal courses.

After the close of the term on May 28, Mayo said, Summer courses will be continued in the war trades with additional opportunities to take sheet metal and machine shop courses being offered and the probable starting of a radio repair course.

"Education has been undergoing considerable change during the time that the night school has been in operation," Mayo said. "In the early days our courses were aimed primarily at typing and bookkeeping classes and the like. Today, although these courses continue, the stress has been changed and the field broadened.

"We now offer more than 80 courses covering subjects from apprenticeships in skilled trades to such cultural aims as an understanding of current literature."

ELECTRIC WELDING COURSE IS PLANNED

Sequoia Adult Evening School is planning a course in electric welding designed to train men for employment in shipyards and other war industries. Men who want this course should register at the high school between 7 p.m. and 9:30 p.m. Monday, Tuesday, Wednesday or Thursday of next week.

Age Limits Waived By Mare Island Yard

Age is no obstacle to employment of skilled workers at the Mare Island Navy Yard, provided applicants can meet other requirements, according to Wade Sargent, manager of the San Mateo County offices of the United States Employment Service.

Yard requirements usually place age limits at 62 years for skilled workers, but in special instances where necessary skills vital to the war effort are required, even this age limit will be waived.

While some response to the call of the United States Employment Service for qualified workers to be hired immediately by the Mare Island Navy Yard has been noted the San Mateo office is ready to accept as many more applications as can be filed.

Details concerning qualifications may be obtained from the employment service office.

Need for the following groups of workers at the yard is immediate: Blacksmiths, boatbuilders, boilermakers, coppersmiths, electricians, machinists, sheet metal workers, shipfitters, shipwrights, welders, pipefitters, patternmakers.

Insurance Men's Place With Public Discussed

A panel discussion on the attitude of the public toward insurance men was held at a meeting this week of the Redwood City Insurance Agents Association.

Taking part in the discussion were Ralph Schneider and George F. Boring of Redwood City, and A. H. Bonstin, Clyde H. Clari, John T. Breckon and Harry Mulvehill of San Francisco.

The speakers emphasized that an insurance man is a counselor for the insured and that he tries to give the best his company offers. Insured people are given advice for their own advantage, it was pointed out.

Frank DePatta, vice president, presided in the absence of J. H. D. Peters, president.

TEAM PRIZE

The thirty-four Tribune carriers participating in this contest will be divided into six teams, each having five or six members. At the conclusion of this contest, each team having 3600 points or more, received from NEW and RENEWAL SUBSCRIPTIONS, will be awarded a trip to San Francisco to see a double-header baseball game at the Seals' Stadium. Dinner will be included. It will be possible for every carrier to go on this trip.

Contest Rules

ONLY Redwood City Tribune carriers are eligible to participate in this contest. Points will be given for both NEW and RENEWAL subscriptions, and for collections from regular subscribers or new subscribers for six months or one year in advance. (No advance payments will count unless customer has paid up to April 1, 1942).

THE CONTEST WILL START SATURDAY, APRIL 25TH

A RENEWAL SUBSCRIPTION is an order to deliver the Tribune to a person who is not a subscriber at the present time, but who has had the paper delivered at some time during the past thirty days. Renewals will count as much as new subscriptions during the first week of this contest.

Carriers will not be allowed to sell or exchange points in this contest. The contest will end on Saturday, May 23, 1942.

ALL SUBSCRIPTIONS MUST BE PAID BY THE PERSON ORDERING THE PAPER. (Payment in advance on new subscriptions is not necessary.)

Carriers may solicit anywhere within the delivery limits of the Redwood City Tribune.

Customers Save Too!

You can save 16% of your annual bill by paying your carrier a year in advance. A year's subscription, which paid at the rate of 75c per month would amount to $9.00, may be had for $7.50, a saving of $1.50. (You receive 12 months for the price of ten.)

By paying your subscription six months in advance, you save 50c over the monthly rate for that length of time.

Equally important to the subscriber is the satisfaction of having paid your home town paper in advance, thus eliminating the inconvenience of having to bother to pay each month.

SUBSCRIPTION RATES

One month	$ .75
Six months	$4.00
One year	$7.50

HELPS CARRIER

If you pay a year in advance, your carrier is given 50 points toward one of the prizes offered in this contest.

For a collection of $4.00 for six months, he receives 25 points.

Tribune carriers are authorized to accept payments in advance from subscribers who wish to take advantage of the savings offered. Special receipts have been issued for this purpose. If you want your carrier to collect your subscription in advance, phone 2000.

"WHERE VALUES MAKE FRIENDS"

The Home Town Paper

To Pvt. Willie Gillis, and to millions of American boys now in service, the home town newspaper is like a dozen letteds from home, satisfying their craving for all the news about the folks they knew. The home town newspaper is fiendly, intimate and and satisfying. The soldiers and sailors, and the folks at home, read every word with eager interest. It is as American as the Stars and Stripes, as vital as Faith, Hope and Charity. Thruogh the home town newspaper, advertisers reach the millions of American families onthe basis of a warm and ready welcome into their homes. In his Saturday Evening Post drawing of Prvt. Willie Gillis, Norman Rockwell has paid a convincing tribute to a great institution—The Home Town Newspaper.

BLACKOUT TERM GIVEN

Beer Drops Out of Race, Plans Supervisor Campaign

Fred E. Beer, chairman of the supervisors board, Tuesday withdrew from the campaign for county tax collector in favor of Supervisor John W. Poole. Both men announced their candidacies for the office Apr. 21. Beer's statement said he would be a candidate for the office of supervisor, second district, a post which he has held for eight years.

Supervisor Poole, expressing gratification at Beer's action, said he is definitely in the tax collector campaign.

Beer's statement: "Two weeks ago I stated that I had decided to be a candidate for the position of county tax collector at the coming election. At this time as far as I knew no one other than myself had made a public announcement in this matter.

"Subsequently I found out that Supervisor John Poole at the request of many of his friends had determined to be a candidate for the same position.

"While I have been a supervisor for a long time, Supervisor Poole has served the people of our county in this capacity many years longer than I have. I have always counted him one of my close friends and it would be unthinkable for us to be opposed to each other in contesting for an elective position.

"Supervisor Poole has an intimate knowledge of county affairs and is fully qualified for the duties of the office he aspires to.

"After long and careful consideration of the matter I have determined to withdraw from this election contest for the office of tax collector and again present myself to the citizens of my county as a candidate for the office of supervisor of the second district, a position which I have filled for the past eight years."

Jones, Edling Among Group

The Navy Department's first casualty list of World War II, issued Monday, disclosed names of five Peninsulans who have died in the service.

The list included 2291 officers and men of the navy, marines and coast guard. In most cases, surviving relatives had been notified previously, and through them the news of the deaths had become public.

Ensign Herbert Charpiot Jones, first Bay Area man to win the Congressional Medal of Honor, was included in the list. He was a graduate of Menlo Junior College and son-in-law of Mrs. Harold Bishopp of Menlo Park. He was killed at Honolulu where he commanded an anti-aircraft battery. He leaves a wife, Joanne Ruth Jones, 225 Arden Ave., Menlo Park.

Also listed was Robert Norris Edling, 22-year-old son of Mr. and Mrs. Julius M. Edling of 1300 Magnolia Ave., San Carlos, fatally wounded in the Battle of Hawaii. His death was disclosed Dec. 20.

Other Peninsula casualties included in the navy list and their next of kin:

Ensign Lowell Franklin Kuehnle, son of Louis F. Kuehnle, 345 Escobita, Palo Alto.

Radioman Jack Reginald Goldwater, son of Reginald Waugh Goldwater, 1349 Balboa Ave., Burlingame.

Storekeeper James Buchanan Reed Jr., husband of Hanna Ingrid Reed, 215 South El Dorado, San Mateo.

Sequoia Books 'Tuttles of Tahiti'

Underneath that flower-decked straw, you'll recognize Charles Laughton, starred in one of the most unusual and engaging pictures in a long time, RKO Radio's "The Tuttles of Tahiti." Laughton's lovely vis-a-vis is starlet Linda Rivas, wearing the streamlined sarong called a pareu. Casually barefoot, Laughton romps through the completely charming story supported by a cast including Jon Hall, Peggy Drake, Victor Francen, Gene Reynolds and Florence Bates.

16 Seek 9 Commissioner Posts in Election Friday

Sequoia High School pupils, learning modern living from a practical standpoint, this week were conducting their annual commissioner elections with 16 candidates listed for nine positions. Halls in the school building are decorated with banners extolling the virtues of the various candidates and every indication is that it will be a "hot" election today when the pupils abandon their books temporarily to go to the polls.

Three of the races will be uncontested, with Margaret Wrigley being the only candidate for the position of girls' athletic commissioner, Jane Gordon the only one applying for the job of publications commissioner, and Dorothy Baldwin the only one seeking the finance post.

Running for commissioner of welfare are Dick Jeffery, Ben Esposito and Bob Kalsey; for boys' athletics, Roy Burnham and Bill Langston; for cultural activities, Marie Guida and Jean Toner; for boys' activities, Bob Conner and Dan Brandeburg; for girls' activities, Mimi Lebo and Roberta Rowe; for publicity, Violet Staples and Irene Thieme.

★ ★ ★

By means of a dance sponsored by the Block S society, Sequoia High School pupils will attempt to raise money for the purchase of War Bonds or defense equipment for the school Saturday at 8:30 p.m.

To be held in the school gymnasium, the affair will be built around a "barn" motif. Prizes will be given for the most original barnyard costume worn by both a pupil and a faculty couple.

"The American Way," a patriotic play, was announced today as the Spring production of the Sequoia players under the direction of Claude van Patten, teacher. More than 150 pupils will take part in the show which is to be presented June 5.

First produced in New York, the show was written by George Kauffman and Moss Hart and deals with the problems of an emigrant couple from 1890 until the time of the Depression of 1929.

'Bitter Sweet' Due At S.F. Next Week

SAN FRANCISCO—San Francisco will have one of its most brilliant seasons of light opera when the third annual light opera festival opens at the Curran Theater, May 11, with Noel Coward's master-piece, "Bitter Sweet."

Presented jointly by the recently organized San Francisco Civic Light Opera Association and the Los Angeles Civic Light Opera Association the season lists four great operettas.

"Bitter Sweet," the opening attraction, will co-star Muriel Angelus and John Howard. Miss Angelus is one of England's most brilliant singing actress. She will have the role of Lady Shayne.

John Howard, distinguished dramatic actor and singer of stage and screen, is being presented on the Pacific Coast for the first time in a romantic singing role.

Second offering of the season will be "The Vagabond King," the week of May 18.

"Hit the Deck," the riotous musical comedy by Vincent Youman, will be staged the week beginning June 1.

Final offering beginning June 8 will mark the return of John Charles Thomas, baritone, in "Music in the Air."

300 Due at Dinner For George Reilly

Plans are nearing completion for a community dinner to be given Tuesday evening, May 12, at Benjamin Franklin Hotel in San Mateo in honor of Commissioner George R. Reilly, member of the State Board of Equalization for this district. Dinner will be served at 6:30 o'clock. Indications are that more than 300 persons will attend.

Staging the dinner in Commissioner Reilly's honor is the San Mateo County Non-Partisan Committee, headed by Atty. J. E. McCurdy, San Mateo, as chairman; Mrs. M. Mitchell Bourquin, Hillsborough, vice chairman, and Claude J. Hirschey, San Mateo, secretary-treasurer. Because of limited facilities, Chairman McCurdy said, the dinner will be by invitation only, and those attendng will be guests of the committee.

Celebration Plans Made

Plans are rapidly being completed for the first phase of Redwood City's observance of the 75th anniversary of the incorporation of this community May 11, 1867.

Coming as sort of a prelude to the observance will be the Sequoia High School Band and Orchestra Concert, set for this evening at Sequoia auditorium, with proceeds going to the local war savings committee to finance the pledge campaign here May 24-30. Admission is 25 cents, including tax. The concert, which will be aided by choral students, will begin at 8:15 o'clock.

Then on Sunday afternoon the Fifth Annual Spring Festival of Music will be held in the Sequoia auditorium, under sponsorship of the Sequoia PTA and the adult education department of the school. It will start at 2 p.m. and be free.

Monday afternoon, May 11, will be devoted to May fete events at the Sequoia High School Football Field, being arranged under direction of Alfred Morton, city recreation director.

That same evening, the San Mateo County Historical Association will conduct a meeting in the Redwood City City Hall, beginning at 8 o'clock. Pres. Paul A. McCarthy announced today that on the program, besides appropriate recognition of the occasion, there will be several short talks by San Mateo Junior College students who are doing research work in county history. Coramarie Maskell will speak on "Lumberjack Library," the story of the Woodside Library Association of 1859; Maynard Garrison will discuss "History of the Red Cross in San Mateo County, and Rose Roy will speak on "Shipping and Shipbuilding in Redwood City."

Several other events are being planned, among them the May 21 barbecue of the Redwood City Chamber of Commerce for members and invited guests, to be followed by an evening of dancing on the tennis courts at Mezes Plaza, Warren and Standish Sts.

Pres. Carl E. Ward of the chamber announced that on a committee with Chairman Norman S. Menifee, past president of the chamber, to arrange the barbecue were A. S. Liguori, Milton Gooding, L. M. Duncan, George L. Solari, H. C. Mitchell and Perry Downs.

The United States Senate has sat as a Court of Impeachment in 12 cases since the establishment of the nation.

$830,000 for County Salaries

Informal announcement by the Board of Supervisors indicates that all county official salaries are to be raised—7½ per cent to those employes now receiving $150 per month or less, and 5 per cent to those receiving more than that amount.

Informal estimates place the salary roll at about $830,000 for the fiscal year 1942-1943. Certain salaries will be raised before the percentage increase is allowed.

The county controller announced that the new schedule will be ready for study by the end of this week.
